

# Math 111 - Techniques of Calculus II

Instructor: Chris Saunders

Office: 14 Scott Building

Office Hours: Tuesday 9am-10am, Thursday 1:30pm-2:30pm, by appointment

email: saunders@math.psu.edu

Web Page: <http://www.math.psu.edu/saunders>

## Textbook

Applied Calculus by TAN. We will be covering chapters 8 and 9.

## Calculators

No calculators will be permitted during any exams or quizzes.

## Exams

There will be one midterm and one final exam, both to be scheduled at a later date.

## Grading

Grades will be based on a total of 350 points distributed as follows:

Homework: 50 points

Quizzes: 50 points

Midterm: 100 points

Final: 150 points

## Quizzes

Quizzes will be given approximately every two weeks. Each quiz will be three questions, and you will have fifteen minutes to complete the quiz.

Quiz dates: 9/16, 9/30, 10/28, 11/11, 12/1

These dates are subject to change, but notice of any changes will always be given.

## Homework

Homework will be posted on the web page weekly.
