

George Andrews' 2008 Talks Preliminary

- | | | |
|--|----------|---|
| 1. MAA Short Course on Combinatorics, San Diego | 01.04.08 | “Euler’s ‘De Partitio Numerorum’” |
| 2. AMS Special Session Automorphic Forms & Related Topics, II | 01.06.08 | “On Symmetry in q-Series Transformations” |
| 3. AMS Special Session Applications of Computer Algebra in Enumerative & Algebraic Combinatorics | 01.08.08 | “Further Developments in MacMahon’s Partition Analysis” |
| 4. Colloquium, Univ. Florida | 02.04.08 | “Euler’s Contributions to “Partitio Numerorum” |
| 5. Group Theory Mtg. at Gainesville | 02.23.08 | “Partition Identities in Representation Theory” |
| 6. Conference on Partitions, q-Series and Modular Forms, University of Florida | 03.13.08 | “On Symmetry in q-Series Transformations” |
| 7. The Citadel, MAA Sectional Mtg., Charleston SC | 03.28.08 | “The Lost Notebook of Ramanujan” |
| 8-9. Georgia Southern University (2) lectures | | |
| Colloquium Lecture | 03.31.08 | “Old and New Thoughts on the Rogers-Ramanujan Identities” |
| Distinguished Lecture | 04.01.08 | “Euler and the Beginning of the Theory of Partitions” |

- | | | |
|--|----------|--|
| 10. Vanden Eynden Conf.
Combinatorics, Graph
Theory & Number Theory,
Illinois State Univ. | 04.18.08 | “What Can We Still Learn from
Euler about Partitions?” |
| 11. Iowa State (2 lectures) | | |
| Colloquium | 04.21.08 | “Old and New Thoughts on the
Rogers-Ramanujan Identities” |
| Miller Distinguished Lecture | 04.22.08 | “The Indian Genius, Ramanujan:
His Life and the Excitement of His
Mathematics” |
| 13. Waterloo Workshop on
Computer Algebra
(WWCA 2008), Wilfred
Laurier University, Canada | 05.05.08 | “Old and New Thoughts on the
Rogers-Ramanujan Identities” |
| 14. MAA MathFest, Univ.
of Wisconsin, Madison | 07.31 on | “Gems from Ramanujan’s Lost Notebook” |
