

Thomas Jech

Personal. Born January 29, 1944 in Prague, Czech Republic. Married to Paula, children Pavel and Susanna.

Education. Doctorate: Charles University, Prague, 1966.

Academic positions. Research Associate, Charles University, 1966-68. Junior Fellow, University of Bristol, 1968-69. Associate Professor, S.U.N.Y. at Buffalo, 1969-74. Professor, The Pennsylvania State University, 1974-2000. Mathematical Institute of C.A.S., Prague, 2000–present.

Visiting Associate Professor, U.C.L.A., 1970-71. Visiting Associate Professor, Princeton University, Fall 1972. Member, Institute for Advanced Study, Spring 1973. Visiting Professor, Stanford University, Fall 1974. Visit. Professor, U.C.L.A., Winter and Spring 1981. Visiting Professor, University of Hawaii, Fall 1984. Visiting Fellow, All Souls College, Oxford, Michaelmas term 1988. Fulbright Professor, Hebrew University, Spring 1989. Visiting Professor, California Institute of Technology, Spring 1991. Center for Theoretical Studies, Prague, Fall 1995. Fulbright Professor, Université de Caen, Spring 1996.

Visiting Professor, Université Paris VII, May–June 1975. National Academy of Sciences Exchange Scientist, Budapest, July 1977. Honorary Professor, Beijing Normal University, 1985. National Academy of Sciences Visiting Scholar, China, May–June 1987. Visitor, Mathematical Institute, ETH Zürich, December 1988–January 1989. Invited Professor, Université Pierre et Marie Curie, Paris, June 1989. Member, Mathematical Sciences Research Institute, Berkeley, January 1990. Invited Professor, Université Paris VII, June 1990. Visitor, Center for Theoretical Study, Prague, January 1991, July–August 1991, June–August 1992, June–July 1993, July–August 1994. Visitor, Argonne National Laboratory, May 1994. Visitor, C.R.M. Barcelona, November 1995, March–May 2001, April–May 2004. Resident scholar, Bellagio Center, Rockefeller Foundation, June 1998. Visiting Professor, National University of Singapore, November 2003.

Editor. Axiomatic Set Theory, Proc. Symp. Pure Math. XIII (2), 1974. Proceedings Amer. Math. Society, 1980–1988. Managing Editor, Annals of Pure and Applied Logic, 1986–present.

Grants. National Science Foundation, 1970–1993, 1994–2001. U.S.–Israel Binational Science Foundation, 1982–1984, 1988–1991. U.S.–Japan Cooperative Research Grant (NSF), 1984–1986. NSF–INT research grant, Fall 1988. Fulbright to Israel, 1989. IREX to Czechoslovakia, January 1991. U.S.–Czech. Cooperative Research Grant (NSF), 1991–1995. National Security Agency, 1995–1997. N.R.C. to Prague, 1995. NSF–INT grant to Japan, 1996. Fulbright to France, 1996. GAČR, 2002–2004. GAAV, 2005–2009.

PhD students. Ten graduated since 1972.

Other professional activities. Mathematics Advisory Committee, Council for International Exchange of Scholars, 1989–1992. American Czech-and-Slovak Education Fund, 1991–1994. Academic Advisory Board, Center for Theoretical Study, Prague, 1991–2007.

Lectures. Over 170 colloquium talks and other invited lectures in 20 countries.

Publications. Seven books and about 100 articles in professional journals.
